CONTINGENT SEARCH:

Used to fill Staff to VP positions in the areas of Accounting, Finance, Tax, Treasury, Audit, Supply Chain, Human Resources, and Information Systems. We have a global database that is updated daily and offers us the speed and efficiency our clients expect. Additionally, we are on the cutting edge using the latest sourcing technology and human capital analytics. TBG can provide quick turnaround so our clients are able to interview within 24 hours. We have completed thousands of successful contingent searches with companies across the globe - from start-ups, to pre-IPO, to Fortune 500's.

CONTRACT:

Used at all levels, from staff to executive, to fill gaps from a departing or on-leave employee, a special project/implementation, or to bring in expertise not available internally. Our contract employees have expertise in many specialty areas and can step in and make an immediate impact. We partner with our clients to thoroughly understand what needs to be accomplished and work quickly to provide you with proven solutions.

RETAINED SEARCH:

Used to fill C-level, SVP and many VP positions in the areas of Accounting, Finance, Tax, Treasury, Audit, Supply Chain, Human Resources, and Information Systems. Our clients reach out to us to fill a skill set that is critical to the success of their organization, and we quickly identify a client service team to immediately begin the search process. From identification to qualification to presentation, you can expect a quick turn-around of a short list of high potential profiles to review. We have relationships with senior leadership from companies of all sizes and in all industries across the country.

RECRUITMENT CYCLE

1. DEDICATED TEAM

We commit a team of dedicated consultants who have a network of top Accounting and Finance professionals and firms, both locally and nationally.

2. SCREENING

We provide fully vetted candidates, verify their experience, interest and attempt to overcome any compensation challenges such as future bonuses and merit increase.

3. NEGOTIATE COMPENSATION

Our Bolton Group account managers will ensure the candidate's compensation expectations align with the client's budget.

4. TRACKING

We secure a 24 hr turnaround time on each position's hiring needs, and other ad hoc tracking to keep the hiring officials up-to-date.

OUR MISSION

To create superior value for our clients, candidates, and employees through unparalleled excellence in recruiting.
